

MTSU Clean Energy Initiative Project Funding Request

There are five (5) sections of the request to complete before submitting. See http://www.mtsu.edu/~sga/cleanenergy.shtml for funding guidelines. Save completed form and email to cee@mtsu.edu or mail to MTSU Box 57.

1. General Information	
Name of Person Submitting Request Justin Reed	
Department/Office Student Unions	Phone # (Office) 2591
MTSU Box # 131	Phone # (Cell) 6156136325
E-mail justin.reed@mtsu.edu	Submittal Date
,	5/1/20

2. Project Categories (Select One)				
Select the category that best describes the project.				
	Energy Conservation/Efficiency	V	Sustainable Design	
	Alternative Fuels		Other	
	Renewable Energy			

3. Project Information

- a. Please provide a brief descriptive title for the project.
- **b.** The project cost estimate is the expected cost of the project to be considered by the committee for approval, which may differ from the total project cost in the case of matching funding opportunities. Any funding request is a 'not-to-exceed' amount. Any proposed expenditure above the requested amount will require a resubmission.
- c. List the source of project cost estimates.
- d. Provide a brief explanation in response to question regarding previous funding.

3a. Project Title

Recycle / waste Centers

3b. Project Cost Estimate 30,000

3c. Source of Estimate

MAX-R

3d. If previous funding from this source was awarded, explain how this request differs?

4. Project Description

(Completed in as much detail as possible.)

- a. The scope of the work to be accomplished is a detailed description of project activities.
- b. The benefit statement describes the advantages of the project as relates to the selected project category.
- c. The location of the project includes the name of the building, department, and/or specific location of where the project will be conducted on campus.
- d. List any departments you anticipate to be involved. Were any departments consulted in preparation of this request? Who? A listing may be attached to this form when submitted.
- e. Provide specific information on anticipated student involvement or benefit.
- f. Provide information for anticipated future operating and/or maintenance requirements occurring as a result of the proposed project.
- g. Provide any additional comments or information that may be pertinent to approval of the project funding request.

4a. Scope: Work to be accomplished

Installation of recycle and Waste disposal centers in all three unions Venues.

4b. Scope: Benefit Statement

These will benefit by adding a more visual display to the recycling program in MTUnion facilities. These units will encourage more recycling and waste disposal into the correct areas as they are all grouped together with clear signage.

4. Project Description (continued)
4c. Location of Project (Building, etc.)
Student Union, Keathley University Center, James Union Building
4d. Participants and Roles
Justin Reed, Director
4e. Student participation and/or student benefit
45 Edward Oracella and Market British
4f. Future Operating and/or Maintenance Requirements
None
4g. Additional Comments or Information Pertinent to the Proposed Project
none

5. Project Performance Information
Provide information if applicable.
 a. Provide information on estimated annual energy savings stated in units such as kW, kWh, Btu, gallons, etc. b. Provide information on estimated annual energy cost savings in monetary terms. c. Provide information on any annual operating or other cost savings in monetary terms. Be specific. d. Provide information about any matching or supplementary funding opportunities that are available. Identify all sources and explain.
5a. Estimated Annual Energy Savings (Estimated in kW, kWh, Btu, etc.)
•
none
5b. Annual Energy COST Savings (\$)
none
5c. Annual Operating or Other Cost Savings. Specify. (\$)
none
5d.Matching or Supplementary Funding (Identify and Explain)
none
