

What we Recycle:

Greek Row

MTSU RECYCLES

Paper & Cardboard

All paper, small cardboard, envelopes, magazines, books, etc.

Plastic Bottles

#1 & #2 only.

Look for these symbols:  

Aluminum Cans

Cans only.

How to Recycle:

- Take the recycling from your room to the lobby and sort it into the correct bins.
- Empty cans and bottles collected inside the house will need to be bagged and taken to the can and plastic bins outside.
- Paper and cardboard will be put in the outside paper bin without a bag.

Where to Recycle:

Sustainability Definition

Sustainability is shaping our campus to meet current community needs while ensuring future generations have equal access to resources, while balancing environmental, economic, and social impacts.

Mission

The Center for Energy and Sustainability (CES) prioritizes energy and utility management, sustainable building design, and resource stewardship to foster a greener campus.

Vision

The CES envisions a sustainable campus that utilizes data and technology to continually advance efficiency and environmental stewardship.
