

NISSAN

RECYCLING ROUNDUP
Clean up, Drive through, Drop off

Nissan Smyrna Vehicle Assembly Plant
983 Nissan Dr, Smyrna, TN - Gate 5
Saturday, November 15th, 2025
9:00 am to 1:00 pm

Tennessee Environmental Coalition/Nissan Recycling Roundup

Tennessee Environmental Council (TEC), in partnership with Nissan and local vendors, is hosting another free Recycling Roundup for hard-to-recycle items like electronics, tires, mattresses, and Styrofoam. These events help reduce landfill use, litter, and illegal dumping while supporting Tennessee’s recycling economy. TEC ensures all accepted items have a viable recycling destination and are often refurbished or repurposed. While most items are free to drop off, a fee may be incurred if recycled materials exceed allocated amounts. Check out the [event website](#) for a full list of accepted items or [signup to volunteer](#).

Center for Energy and Sustainability and Green Interchange Partner to Bring the Plant a Bigger Tree Initiative to Murfreesboro

Green Interchange, in partnership with the Center for Energy and Sustainability, is hosting its Fall Tree Sale to promote native tree planting across Middle Tennessee. Residents can purchase trees like River Birch, Dogwood, Maple, and Eastern Redbud in advance through [Green Interchange’s website](#). The Murfreesboro pickup event will be held on November 18 at MTSU Livestock Center, Barn B, from 4:00-7:00 PM. All trees are potted and ready to thrive in Tennessee landscapes. Every tree purchased helps expand green spaces and supports a healthier, more resilient community.

Upcoming Dates:

- Thursday, November 20
- Thursday, December 18

MTSU RECYCLES
Stop & Drop

7:30am-1:30pm

MTSU RV Lot

MTSU Recycles: November Stop & Drop Pop-Up Event at the RV Lot

MTSU Recycles is hosting its next monthly Stop & Drop Pop-Up Recycling Day on Thursday, November 20 from 7:30 AM to 1:30 PM at the MTSU RV Lot. Organized by the Center for Energy & Sustainability, this event invites MTSU students and employees to bring pre-sorted recyclables from home to help reduce landfill waste. Accepted items include cardboard, paper, aluminum cans, plastics (types 1 & 2), and small scrap metal. Participants must bring their MTSU ID to drop off materials. Visit the [event page](#) for a full list of accepted items, including specific [Kroger-brand food packaging](#).
